

Jontay

Click Page Link: <http://store.jontay.com>

Jontay is a leading distributor of narrow fabric webbing (strapping or belting) and webbing hardware accessories (buckles and parts). Our product lineup includes nylon webbing, polypropylene webbing, cotton webbing, and woven polyester elastic webbing. We also offer nylon thread, braided and knit elastic, and hook and loop nylon fastener tape, which is comparable to Velcro®.

Our products supply various industries, including pet, apparel, equestrian, recreational, health care and sporting.

Jontay > Plastic Hardware > Cam Buckles

Click Page Link: <http://store.jontay.com/CamBuckles.aspx>

Cam buckles can cinch webbing tightly, but with quick release capability. The size of the buckle corresponds to the width of the webbing it fits. For example 3/4" cam buckles work with 3/4" webbing. These buckles work best with polypropylene and mil-spec nylon webbing. Click page links:

Jontay > Plastic Hardware > Double-Bar Slides

Click Page Link: <http://store.jontay.com/LadderLocks.aspx>

Double-bar slides feature a lift-tab design that allows for convenient tightening and loosening of the attaching straps. Double-bar slides are suitable when the strap only needs adjustment and not complete detachment. Otherwise, use side-release buckles.

B-DB-01 BLACK—Double-Bar Slides

Click Page Link: http://store.jontay.com/Black_Double_Bar_Slides.aspx

Regular double-bar slides are available in 4 different sizes, 5/8", 3/4", 1" and 1-1/2" in the color black. Suitable for use with polypropylene webbing and nylon webbing.

Jontay > Plastic Hardware > D-Rings

Click Page Link: <http://store.jontay.com/D-Rings.aspx>

Plastic d-rings are impervious to rust and may be used for light loading applications where lighter hardware is preferred. D-rings attach to the end of the strap and can be grabbed easily by a snap hook or spring snap.

B-DR-01 BLACK— Plastic D-Rings

Black plastic d-rings are available in the following widths: 1/2", 3/4", 1", 1-1/2", and 2"

B-DR-01 OLIVE DRAB — Plastic D-Rings

Jontay > Plastic Hardware > Rectangular Loops

Click Page Link: <http://store.jontay.com/RectangularLoops.aspx>

Plastic rectangular loops are permanent attachments that connect two straps. Generally found on luggage, tote bags, and backpacks, plastic rectangular loops are useful in applications that call for lighter hardware and less load weight.

B-LP-02 BLACK— Plastic Rectangular Loops

Black plastic rectangular loops are available in the following widths: 3/4", 1", 1-1/4", 1-1/2", and 2"

Jontay > Plastic Hardware > Single-Bar Slides

Click Page Link: <http://store.jontay.com/PlasticSingle-BarSlides.aspx>

Single-bar slides may be used secure hardware to the end of the webbing strap in place of sewing. We offer regular single-bar slides, wide-mouth slides, slides with narrower slots and extra wide single-bar slides.

B-SB-01—Regular Single-Bar Slides

Click Page Link: <http://store.jontay.com/RegularSingle-BarSlides.aspx>

Regular Single-bar slides, which are available in 5/8", 3/4", 1", 1-1/2", and 2" in black only, work with all our basic webbing styles and suit most applications.

B-SB-02—Wide-Mouth Single-Bar Slides

Click Page Link: <http://store.jontay.com/Wide-MouthSingle-BarSlides.aspx>

Wide-Mouth Single-bar slides, which are available in 1/2", 5/8", 3/4", and 1" in black only, have a lower profile than the regular slides and are better suited for applications that use our thicker webbing styles, such as flat nylon webbing and heavy-weight polypropylene webbing.

Jontay > Plastic Hardware > Single-Bar Slides

Click Page Link: <http://store.jontay.com/PlasticSingle-BarSlides.aspx>

Single-bar slides may be used secure hardware to the end of the webbing strap in place of sewing. We offer regular single-bar slides, wide-mouth slides, slides with narrower slots and extra wide single-bar slides.

B-SB-1A Black—Single-Bar Slides with Narrower Slots

Click Page Link: <http://store.jontay.com/Single-BarSlideswithNarrowSlots.aspx>

Single-bar slides with narrower slots are well suited for thinner nylon webbing, such as the mil-spec 17337 and 43668, as well as the regular-weight polypropylene webbing.

B-SB-1A Colors

Available in 3/4", 1", 1-1/2", and 2", black, coyote, foliage, olive drab and white (not pictured).

B-SB-08 1"—Extra-Wide Single-Bar Slides

Click Page Link: <http://store.jontay.com/Extra-WideSingle-BarSlides.aspx>

Extra-Wide Single-Bar Slides fit the thickest webbing applications, providing a low profile for a professional, finished look. These slides are stronger than the other plastic slides giving the application extra durability.

Extra-Wide Single-Bar Slides are only available in the 1" width, fitting 1" wide webbing.

Jontay > Plastic Hardware > Snap Hooks

Click Page Link: <http://store.jontay.com/SnapHooks.aspx>

Plastic snap hooks attach a strap end to a d-ring, where the application calls for lighter hardware with quick detachment for easy removal. Available styles include swivel snap hooks, rotating snap hooks, and spring snaps.

B-HK-02 Black—Rotating Snap Hooks

Click Page Link: <http://store.jontay.com/RotatingSnapHooks.aspx>

Rotating snap hooks, available in 3/4", 1", 1-1/2", and 2", are stronger than the swivel snap hooks, but keep the strap end square with the attaching hardware.

B-HK-03 Black—Swivel Snap Hooks

Click Page Link: <http://store.jontay.com/SwivelSnapHooks.aspx>

Swivel snap hooks attach a webbing strap end to a d-ring, allowing the webbing to twist about, giving the application additional flexibility.

B-SS-01 Black—Spring Snaps

Click Page Link: <http://store.jontay.com/SpringSnaps-2.aspx>

Spring snaps work like swivel snap hooks, except for a spring release mechanism for easy attachment and removal. Available in 1" and 1-1/2" widths.

1", 1-1/2"
